சிசல் - 1 நூல் - 1

[The following text is a transcription of the handwritten Tamil script on the manuscript pages. It is written in a dense, cursive style across two columns on each page. The script is highly legible but difficult to transcribe accurately due to its cursive nature and the presence of many ligatures and diacritics. The text appears to be a form of Tamil literature or a record, possibly related to the title 'சிசல்' (Sisala) and the author 'சிசல்தொண்டி' (Sisala Thondar).]

அசல் - 1 நூல் - 1

Handwritten text in Tamil script on the left page of an aged manuscript. The text is densely packed and appears to be a historical or administrative record. It includes various names and dates, though some are difficult to decipher due to the cursive style and fading. Key words like 'அசல்' (original) and 'நூல்' (book) are visible at the top of the page.

Handwritten text in Tamil script on the right page of an aged manuscript. This page continues the text from the left page. It contains similar dense script with names and dates. There are some corrections or annotations visible, such as the checkmarks at the top of the page. The text is written in a traditional style on aged, yellowed paper.
