The Principal,
Government College, Kumbakonam.

Dear Sir,

I am writing the life of the late Minakshisundaram Pillai Ayl., the great Tamil scholar and my Asiriyar. In that connection, I desire to utilise some of the information contained in the records of the College. I request you therefore, to give me copies of such of the records as will be useful to me and to utilise the same in the biography I am publishing.

Mr. K.C. Viraraghava Aiyar of the College has promised to help me in this connection and he may be permitted to peruse the said records and pick up the useful ones for me.

Thanking you in advance.

Yours sincerely,
