Sir,

I thank you very much for the kind notice you sent to me regarding the intended celebration of 81st Birth day of Mahamatopathyaya Dr. V. Swaminatha Iyer.

It is said that he has done a lot for Tamil literature and so it is proposed to present him with an address by installing a portrait of him in the Madras University and by arranging to continue his work of publication of Tamil classics and so on. All this is for a living man. I request you to kindly let me know ~~if~~ if you or any of the members constituting this Committee have ever thought of erecting a statue or founding of endowment, or installing a portrait of the late lamented P.V. Manica Naloker, the greatest Scholar and research worker in Tamil literature in his days. If you have not thought of it up till now, here is a suggestion from me. which may be kindly placed before your Committee

Yours sincerely,

M. Balasubrahmanyan
