Dear Dr Swaminatha Iyer.

A friend of pupil mine Mr. L. Gundappa
M.A. who knows Tamil well & has been translating
some Tamil poems into Kannada is anxious
to translate into Kannada your Prose version
of Perungottai, preface to that classical poem
edited by you for self. I can recommend him
as a very capable scholar & request you
to kindly grant him permission.

With respects & best regards,

Yours sincerely
B.M. Subrahia
